

Early Action Compact Milestone - June 16, 2003
List of Emission Reduction Strategies Under Consideration

Saluda County

Based on stakeholder consultation and taking into consideration resource and political constraints, the following control measures under consideration can be reasonably implemented. It is anticipated these measures under consideration will assist Saluda County in achieving and/or maintaining the 8-hour ozone standard by 2007.

Measure under Consideration	Description of measure (A more detailed description will be included in the Early Action Plan.)	Estimate of emission reductions (if available)	Proposed date for implementation	Geographic area and/or local government
Air Quality Contact	One person will be identified as the Air Quality Contact. At a minimum, this contact will be responsible for ozone education/outreach and dissemination of ozone forecast.	Not available	April 2005	County wide
Support state-wide efforts	Saluda County will support the efforts of SC DHEC regarding state-wide emission reduction strategies.	Not available	April 2005	County wide

Refer to the June 2003 Progress Report submitted by SCDHEC for statewide activities.
